### **Displays and Exhibits Policy**

As an educational and cultural institution, the Rusk County Community Library welcomes exhibits and displays of interest, information and enlightenment to the community. Displays of handiwork, historical material, nature study, or any other material deemed of general interest may be exhibited. The director shall accept or reject material offered for display based on its suitability and availability.

The library assumes no responsibility for the preservation or protection, and no liability for possible damage or theft of any item displayed or exhibited. All items placed in the library are there at the owner's risk.

### **Public Notice Bulletin Board Policy**

Bulletin board materials may be submitted for posting by nonprofit organizations for civic, educational, or cultural purposes. Such organizations may submit literature publicizing a specific event. Limited space generally allows only short-term notices. The staff must approve all postings and may prohibit postings that do not meet library standards. We do not post for-profit events. Library staff will place and remove postings promptly.
