

Rusk County Community Library, Ladysmith

VOLUNTEER POLICY

The Rusk County Public Library encourages individuals and groups to volunteer their time and efforts in service to the library. Volunteers do not replace paid staff and are not considered employees of the library; however, volunteers can provide important support services to paid staff and/or work on special projects. Volunteers will work only during open hours, or directly with a library employee.

The Friends of the Rusk County Community Library or the Rusk County Community Library Foundation are not considered library volunteers under this policy.
